Fee for the inspection is \$ 250.00. Fee is due at commencement of inspection. Additional fees will apply if it is determined that INSPECTOR needs to use roof to obtain sewer scope access. INSPECTOR will issue a Change Order to amend the scope of work for this agreement to include roof access.

The Inspection is to be commenced at the above address on 5/31/2022 (Inspection Date) at 2:00 pm (Time).

Report will be emailed to the client and Realtor within 48 hours.

This agreement is made on 5/31/2022 (Today's Date) between Jose L. Barrera (hereinafter "INSPECTOR") and the undersigned ("CLIENT"), collectively referred to herein as "the parties." The Parties understand and voluntarily agree as follows:

1. INSPECTOR agrees to perform an inspection of the condition of the home's sewer line from the house to the street using a camera device which is inserted into the sewer line once proper access has been identified. CLIENT understands that this is a camera inspection of the main drain line to the street and not the entire drain system. The CLIENT acknowledges there may be defects which cannot be detected by using a camera. The CLIENT acknowledges that the INSPECTOR may not observe all areas of the sewer line, and some defects may go unnoticed. CLIENT also understands that this inspection is in no way a warranty or guarantee, and only represents the drain line at the time of inspection. INSPECTOR reserves the right to not perform any or all portions of a sewer line inspection, if there is no proper access, if the INSPECTOR deems that damage could be done, or for any other circumstance or reason.
2. The inspection process will be recorded and a link to the video recording will be provided to CLIENT in the written report. The inspection report will identify any components in need of immediate repair that the INSPECTOR both observed and deemed material. It will also outline and define the portions of the sewer line that were inspected. The evaluation will be based on visual observations and upon data collected from the inspection camera equipment. The inspection and report are not intended to be technically exhaustive. INSPECTOR may offer comments as a courtesy, but these comments will not comprise the bargained- for report.
3. Unless otherwise inconsistent with this Agreement or not possible, INSPECTOR agrees to perform the inspection in accordance with the current Standards of Practice of the International Association of Certified Home Inspectors ("InterNACHI") posted at <http://www.nachi.org/sop.htm>. Although INSPECTOR agrees to follow InterNACHI's Standards of Practice, CLIENT understands that these standards contain limitations, exceptions, and exclusions. CLIENT understands that InterNACHI is not a party to this Agreement and has no control over INSPECTOR or representations made by INSPECTOR and does not supervise INSPECTOR. Unless otherwise indicated below, CLIENT understands that INSPECTOR will NOT be testing for the presence of radon – a colorless, odorless, radioactive gas that may be harmful to humans. Unless otherwise indicated below, CLIENT understands that INSPECTOR will NOT be testing for mold. Unless otherwise indicated in a separate writing, CLIENT understands that INSPECTOR will not test for compliance with applicable building codes or for the presence of potential dangers arising from asbestos, lead paint, formaldehyde, molds, soil contamination, and other environmental hazards or violations.
4. The inspection and report are for the use of CLIENT only, who gives INSPECTOR permission to discuss observations with real estate agents, owners, repairpersons, and other interested parties. INSPECTOR shall be the sole owner of the report and all rights to it. INSPECTOR accepts no responsibility for use or misinterpretation by third parties, and third parties who rely on it in any way do so at their own risk and release INSPECTOR (including employees and business entities) from any liability whatsoever. Any third parties who rely on the report in any way also agree to all provisions in this Agreement. INSPECTOR'S inspection of the property and the report are in no way a guarantee or warranty, express or implied, regarding the future use, operability, habitability or suitability of the home/building or its components. All warranties, express or implied, including warranties of merchantability and fitness for a particular purpose, are expressly

excluded to the fullest extent allowed by law. If any structure or portion of any structure that is to be inspected is a log home, log structure or includes similar log construction, CLIENT understands that such structures have unique characteristics that make it impossible for an inspector to inspect and evaluate them by an exterior visual inspection. Therefore, the scope of the inspection to be performed pursuant to this Agreement does not include decay of the interior of logs in log walls, log foundations or roofs or similar defects.

5. INSPECTOR assumes no liability for the cost of repair or replacement of unreported defects or deficiencies either current or arising in the future. CLIENT acknowledges that the liability of INSPECTOR, its agents and/or employees, for claims or damages, costs of defense or suit, attorney's fees and expenses arising out of or related to the INSPECTOR'S negligence or breach of any obligation under this Agreement, including errors and omissions in the inspection or the report, shall be limited to liquidated damages in an amount equal to the fee paid to the INSPECTOR, and this liability shall be exclusive. CLIENT waives any claim for consequential, exemplary, special or incidental damages or for the loss of the use of the home/building even if the CLIENT has been advised of the possibility of such damages. The parties acknowledge that the liquidated damages are not intended as a penalty but are intended (i) to reflect the fact that actual damages may be difficult and impractical to ascertain; (ii) to allocate risk among the INSPECTOR and CLIENT; and (iii) to enable the INSPECTOR to perform the inspection at the stated fee. In the event of litigation relating to the subject matter of this Agreement, the non-prevailing party shall reimburse the prevailing party for all reasonable attorney fees and costs resulting therefrom.

6. No Rule of Construction: The parties acknowledge that each of them has had ample opportunity for their own counsel to participate in negotiating and drafting this Agreement. Therefore, no rule of construction shall apply to this Agreement that construes ambiguous or unclear language in favor of or against any party.

7. INSPECTOR does not perform engineering, architectural, plumbing, or any other job function requiring an occupational license in the jurisdiction where the inspection is taking place, unless the inspector holds a valid occupational license, in which case he/she may inform the CLIENT that he/she is so licensed, and is therefore qualified to go beyond this basic home inspection, and for additional fee, perform additional inspections beyond those within the scope of the basic home inspection. Any agreement for such additional inspections shall be in a separate writing.

8. In the event of a claim against INSPECTOR, CLIENT agrees to supply INSPECTOR with the following: (1) written notification of adverse conditions within 14 days of discovery; and (2) access to the premises. Failure to comply with the above conditions will release INSPECTOR and its agents from any and all obligations or liability of any kind.

9. Dispute Resolution; Binding Arbitration: Any dispute, controversy, interpretation or claim including claims for, but not limited to, breach of contract, any form of negligence, fraud or misrepresentation arising out of, from or related to this contract or arising out of, from or related to the inspection and inspection report shall be submitted for final and binding arbitration under the Rules and procedures of the American Arbitration Association. CLIENT agrees to pay all required filing fees. The decision of the Arbitrator appointed thereunder shall be final and binding and judgement on the Award may be entered in any court of competent.

10. If any court declares any provision of this Agreement invalid, the remaining provisions will remain in effect. This Agreement represents the entire agreement between the parties. All prior communications are merged into this Agreement, and there are no terms or conditions other than those set forth herein. No statement or promise of INSPECTOR or its agents shall be binding unless reduced to writing and signed by INSPECTOR. No change shall be enforceable against any party unless it is in writing and signed by the parties. This Agreement shall be binding upon and enforceable by the parties and their heirs, executors, administrators, successors and assignees. CLIENT shall have no cause of action against INSPECTOR after one year from the date of the inspection.

11. Payment of the fee to INSPECTOR (less any deposit noted above) is due upon completion of the on-site inspection. The CLIENT agrees to pay all legal and time expenses incurred in collecting due payments, including attorney's fees, if any. If CLIENT is a corporation, LLC, or similar entity, the person signing this Agreement on behalf of such entity does personally guaranty payment of the fee by the entity.

12. If CLIENT requests a re-inspection, the re-inspection is also subject to all the terms and conditions set forth in this agreement.

13. This Agreement is not transferable or assignable.

14. Should any provision of this Agreement require judicial interpretation; the Court shall not apply a presumption that the term shall be more strictly construed against one party or the other by reason of the rule of construction that a document is to be construed more strictly against the party who prepared it.
